Representative John Gard, Co-Chair
Joint Committee on Finance
State Capitol, Room 315 North
Madison, Wisconsin 53707

Dear John:

Thank you for your recent letter outlining a number of bills you would like addressed by the Joint Committee on Finance.

I agree the Committee should meet to discuss these matters. I consider all of the proposals outlined in your letter priorities, and I hope we can agree on a meeting date soon. I'm especially pleased to see that you are now willing to consider comprehensive campaign finance reform. I believe our task would have been easier back in November when I thought we had an agreement to proceed on this issue. Regardless, I'm eager to get started.

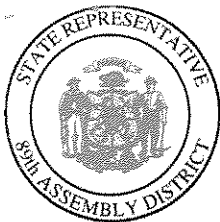

That being said, I believe any discussion regarding the property tax rent credit also needs to include Senate Bill 357 which was referred to the Committee yesterday. In order to have a complete discussion regarding the restoration of the property tax rent credit, the Committee needs to have all the proposals at the table.

I look forward to hearing from you soon.

Sincerely,

BRIAN BURKE
State Senator

Senator Brian Burke, Co-Chair
Joint Committee on Finance
316 South – State Capitol
Madison, WI 53702

Dear Brian:

In the interest of moving a number of critical bills out of the Joint Finance Committee, I would propose that we schedule a meeting soon to take executive action on the following bills:

Assembly Bill 203, relating to automatic fire sprinkler systems in UW System residence halls.

Assembly Bill 340, relating to restrictions on issuing operator's licenses, state employment and student financial assistance based on failure to register with the selective service system.

Assembly Bill 677, relating to restoring the property tax rent credit for taxable year 2000.

Senate Bill 60, relating to educational technology assistance to public libraries.

Senate Bill 115, which you had previously requested, relating to health insurance coverage of smoking cessation treatment and medications.

Senate Bill 122, relating to an agreement between the state and tobacco product manufacturers.

Senate Bill 181, relating to campaign financing with respect to the office of justice of the supreme court.

Senate Bill 182, which you had previously requested, relating to requiring health insurance policies to cover contraceptive articles and services.

Senate Bill 190, which you had previously requested, relating to campaign financing, imposition of a lobbying expenditure tax, providing exemptions from the emergency rule procedures, granting rule-making authority, making appropriations and providing penalties.

Action on these bills by the committee would, I believe, go a long way toward moving the legislative process along in several key issue areas.

I look forward to discussing this further and setting a date for the committee to meet.

Sincerely,

A handwritten signature in cursive script that reads "John G. Gard".
